

RIGHT TO HEALTH IN INDIA- LESSON FROM COVID-19

Modern College of law organised a webinar dated 6th and 7th June 2020. The topic of the webinar was 'Right to Health in India-Lessons from COVID-19'. In this webinar we invited six renowned persons from well-known institutions. Our distinguished and respected speakers were Dr. V.P. Tiwari, Associate Professor from NLU, Maharashtra as a key note speaker, Ms. Qurratlain, Advocate on Record of the Supreme Court of India and Dr. Anurag Deep, Associate Professor, IIL, New Delhi on 6th June 2020. At 11 o'clock Dr. Nisha Singh, Principal of Modern College, offered warm welcome to all distinguished resource person and thanked all the guests for giving their valuable and precious time.

After that, Dr. V. P. Tiwari delivered his speech and opened our mind by sharing their valuable thoughts. He illustrated that Savitri defeated Yamraj, then why cannot we defeat CORONA.

Our next speaker, Ms. Qurratlain raised burning issue that we have an agriculture based economy, even then we are not capable in providing food to all. In this scenario, how can we say that right to health is our fundamental right and it is the duty of State to provide us health protection? Her views were opened our various new dimensions.

Our next speaker, Dr. Anurag Deep explained us that health provisions as prescribed in the state list of seventh schedule of Indian Constitution. He also suggested that this entry should be transferred to the concurrent list so that both the governments can work simultaneously.

After that, Ms. Namrta Rastogi proposed vote of thanks to all guests and participants. The first day webinar was over by 2 pm.

Next day, On 7th June 2020 at 11'o' clock, we resumed our second and final part of webinar. Prof.(Dr.) A.P. Singh, Dean, Faculty of law, GGS I P University, Dwarka, New Delhi was the Chief Guest, Prof. S. M. Sangal, DAV college, Mujaffar Nagar as a speaker and Dr. Sanjay Tyagi as a speaker joined us.

Our Principal ma'am Dr. Nisha Singh welcomed our guests.

Dr. A. P. Singh observed that first pleasure is healthy life. Sound health is everybody's dream. He further explained that right to health not provide explicitly but incorporated as part of social and economic rights.

He also explained article 39(e), 42, 47 etc. He insisted that "rights jurisprudence" is ok but solutions to problem would lie in "duty" jurisprudences.

Next professor S.M. Sangal said "It is our duty to take care our and others health also".

Our next speaker Dr. Sanjay Tyagi, Director of Aarogya Clinic told that health is more important than other aspects. So we should take care of it by yoga health habits and exercise. He also told that we should take 'kadha' everyday which will strengthen our immunity system. He informed how Ayurveda can overcome the pandemic covid-19.

At last, Ms. Namrta Rastogi, organising secretary of the webinar, conveyed her gratitude to them as supporting team.
